

Bridlewood Boltz Team Golf

“A Great Practice Plan creates better results...” Hank Haney

The Program

Team Golf addresses two needs in the junior golf community – the lack of a team atmosphere found in golf versus most junior sports, and an entryway into competitive golf. Junior Golfers experience the social aspect of sport in our Junior Development group practices, and the comradery of a team during team practice and tournaments. Additionally, players new to tournament play experience less pressure than jumping into competition as in individual.

The Format

Bridlewood Boltz Team Golf members will participate in weekly practices through the Junior Development program, plus one additional “Team Golf only” practice on Saturdays from 5-6:30pm. All Team Golf members will be required to participate in the Junior Development Program. Participants may choose any packages starting with the 8 practice/month plan, using 4 of their package practices for the Saturday Team Practice, and the other 4 for Junior Development classes 1x/week. The Team will compete in matches each Sunday at 4:00pm. All practices take place at Bridlewood Golf Club, and tournament locations will rotate between Bridlewood and other league courses.

Why Team Golf?

Simply put, Junior Golfers love the team atmosphere and comradery that Team Golf offers. The competitions provide a place to showcase their skill development and the progress they are experiencing in lessons and practices, all while removing the barriers and pressures associated with individual competition. Players will receive encouragement, direction and inspiration from their coaches and teammates!

The Goal

To acclimate players to tournament play, create a Team environment not often found in golf, and to create Junior Champions at all levels!
